LOOKING forward to the start of the volleyball season in September are the men and women of the Exeter Clifton Hill Volleyball Club (above) who are on the lookout for more members.

The club was formed 18 months ago with 15 members and now there are about 60. They had a successful first season in the Plymouth League with the men winning promotion to the first division and the mixed team going up to the second division. This year there will be two men's teams and a ladies' side.

The club would like to see a league formed in Exeter in the near future.

Club night is Friday with a special session from 6.45 until 8.0 for beginners only (cost £1). Junior sessions have recently been introduced.

It costs only £10 a year to join the club plus the weekly £1 club night fee.
