

Tight battle

THERE are still promotion and relegation battles to be decided in the Exeter and District Volleyball League.

Teignmouth men are the runaway champions of Division 1 although Harpoon Louis Casuals' 2-1 victory was their first loss.

Ottery St Mary are definitely down while Torexe Lance Ceramics must win their last two games and hope Channings Wood lose their last match.

In the great promotion battle in Div 2, the three leaders are still neck and neck fighting for the top two places. Cullompton School's losses against Teignmouth ladies and fellow rivals Beta Blockers mean they have to win against current leaders Culm Vale SC to stand any chance.
